GOVT OF MYSORE

Sir,

I have seen in the Madras Mail that the Government of Mysore have granted the Roman Catholic Mission a plot of land in the Narasimharaja Mohalla, Mysore for the erection of a school I sincerely trust that this is not the plot immediately to the North of the Protestant Christian Cemetery, which I requested Government very kindly to reserve for us as a future extension of the said cemetery If it is so, we shall naturally feel greatly disappointed that our very reasonable request has not been granted. However, if Government cannot see their way to acceding to what we have asked, may I very earnestly request that a wide open space be reserved between the northern boundary of the cemetery and the southern boundary of the proposed school compound, so that the sanctity of the final resting place of our people may be duly respected.

While still hoping that our former request may yet receive favourable consideration, we shall be most grateful if even this latter appeal may very kindly be allowed.

On behalf of the Protestant Christians of Mysore,

I have the honour to be Sir,

Yours respectfully,
